

Brittany Johnson

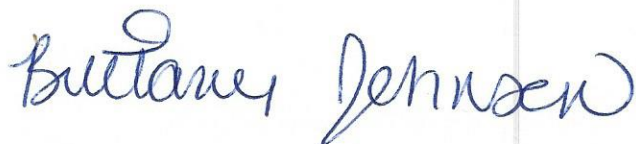

To whom it may concern

My name is Brittany Johnson and Dawnita (Dawnie) Atkins has been my childcare provider for my now 10 month old son Tucker for four months. I would recommend Dawnie to anyone who has the chance to work with her. Dawnie is a very respectful and courteous person and childcare provider.

Tucker is my first child and I had a very hard time putting him into daycare and after meeting Dawnie I knew I could trust her and she is a very good communicator on all levels. Dawnie keeps track of everything my son does throughout the day including feeding and play time so she can inform me when I pick my son up. Dawnie makes sure to spend one on one time with her children at daycare every day. When I drop my son off in the morning he gets the biggest smile to see her.

Dawnie is also an extremely caring person. For example; My son had an accident and missed a few days of daycare. The day after his accident Dawnie and the children made get well cards then traveled 20 miles one way with her own three children so they could see him and deliver the cards, balloon and stuffed animal. That made his day.

My family has been very fortunate to work with my now friend Dawnie and I hope you feel the same way. We will miss her very much.
